## License Registration Page.

Now that you have reached the resource licensing page. We can navigate to license registration. When you open the page, it looks like the following screenshot.

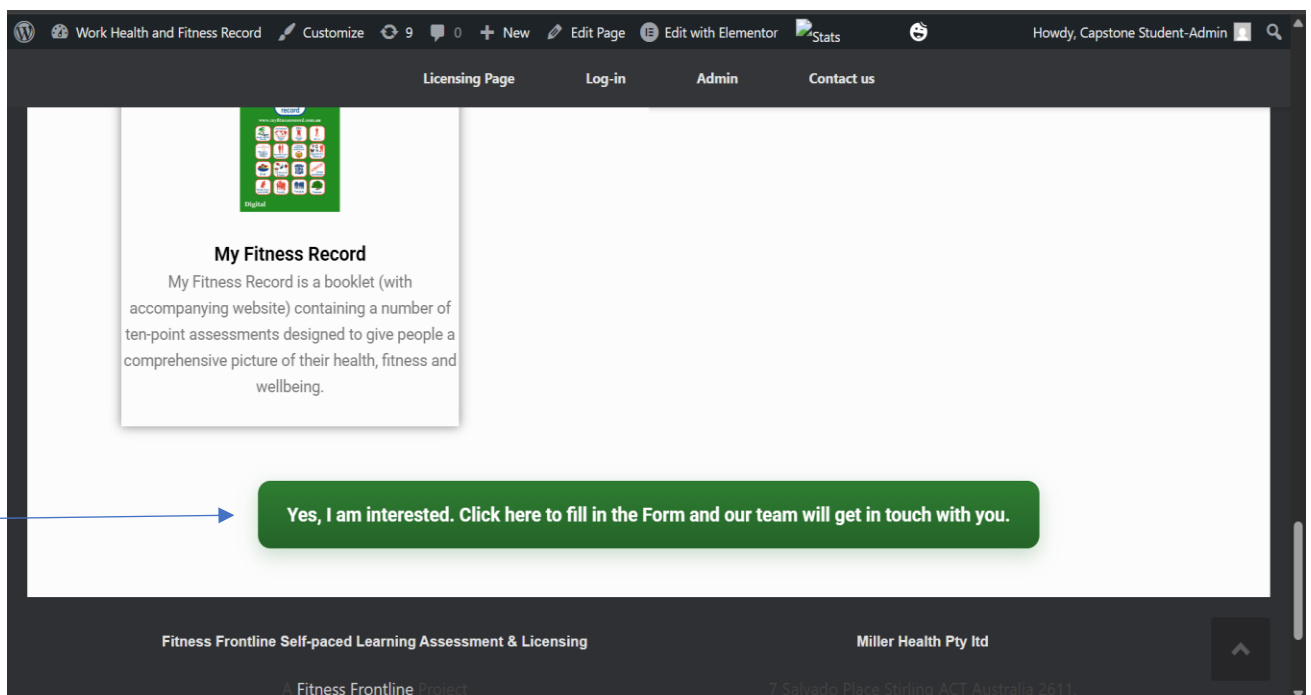

2.Scroll down till you find the 'Yes, I am interested button' that navigate to the the license registration page. Click on that button.
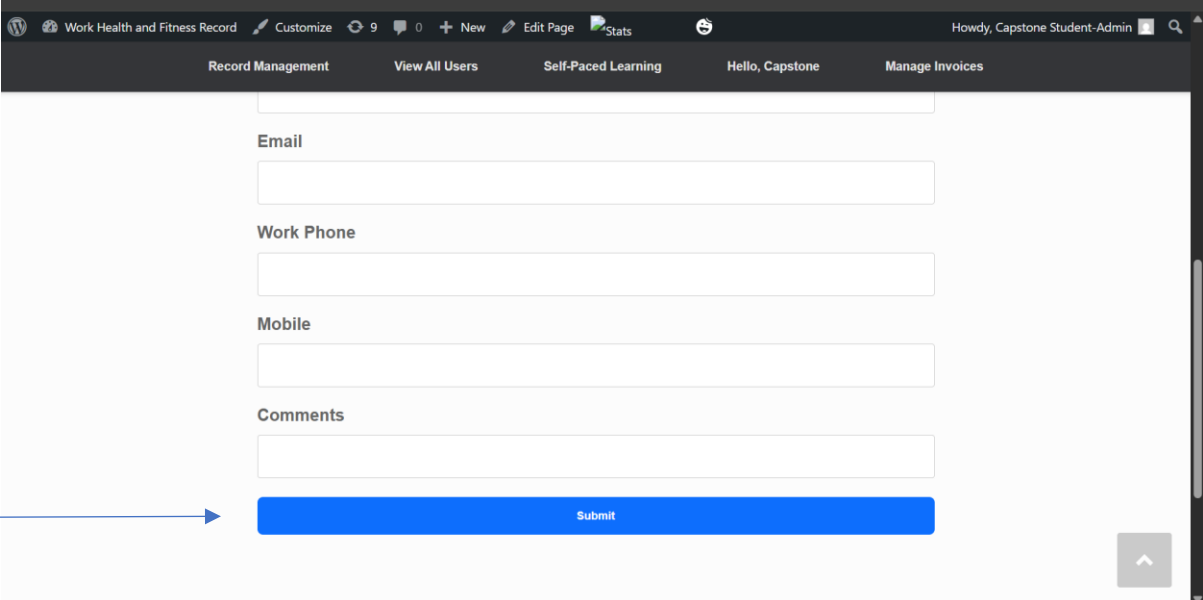

3.The next page shows a glimpse of the resources we have

4.Scroll down till you see the 'Yes I am interested, Click here to fill in the form and our team will get in touch with you' button.

5.The above link will lead to the license registration page where you can add your details, first name, last name, organisation details etc. Once you enter all the details, hit the 'submit' button.

Once your registration is successful, it will land to a thank you page where you can have a glimpse of the resources and download it.
